CHAPTER 62-01-01
ORGANIZATION OF BOARD

Section
62-01-01-01   Organization of Board of Plumbing

62-01-01-01. Organization of board of plumbing.

1. **History.** The 1941 legislative assembly passed a state plumbing law, codified as North Dakota Century Code chapter 43-18. The chapter was intended to promote and protect the public health through the regulation of the business of plumbing by creating a state board of plumbing and empowering the board and the state department of health to adopt rules governing the practice of plumbing and establishing a code of minimum standards of plumbing work. The 1973 legislative assembly passed legislation, codified as North Dakota Century Code chapter 43-18.1, which regulates the installation of water conditioning equipment. The 1987 legislative assembly passed legislation, codified as North Dakota Century Code chapter 43-18.2, which regulates the installation of sewer and water services.

2. **Board membership.** The board of plumbing consists of the chief sanitary engineer of the state department of health, and four persons appointed by the governor: one a master plumber; one a journeyman plumber; one a registered professional engineer; and one a representative of the consuming public. The four appointed members of the board serve four-year terms, with one term expiring each year.

3. **Secretary and chief inspector.** The secretary and chief inspector of the board is appointed by the board and is responsible for administration of the board's activities.

4. **Inquiries.** All inquiries and communication relating to licensing, plumbing installation, and inspections may be directed to:
